# Plastic Pipes in Infrastructure

2018

AMI's international conference on Plastic Pipes in Infrastructure is the place to be for those in the industry. Attending this conference is key for business development of plastic pipe systems used in infrastructure applications.

The high-level programme will include presentations on a variety of topics relevant to the industry today. Previous events have had papers on subjects such as application and market trends; advances in pipe resins, additives and compounds; developments in production technology; innovations in large-diameter pipes; testing and failure analysis; as well as talks about certification, regulations and standards.

Plastic Pipes in Infrastructure 2018 will also provide valuable networking opportunities for delegates representing the entire industry. This event is frequently attended by pipe specifiers, installers and end users; pipes and fittings manufacturers; resin suppliers; additives producers; and machinery makers.

## Five good reasons to attend:

- **Learn about industry progress to stay ahead of competition**
- **Make valuable connections with industry leaders**
- **Learn about new technologies to optimise your business**
- **Benchmark your company against others in your field**
- **Navigate the opportunities and challenges of companies in other fields of this industry**

## Ways to get involved:

### Delegate registration

Register before 26th January 2018 and pay £915\* saving £100 on the full price of £1015\*. There are additional discounts for group bookings. The registration fee includes attendance at all conference sessions, the Networking Cocktail Reception, lunch and refreshment breaks on both days and a set of conference proceedings.

### Sponsorship

A variety of sponsorship opportunities are available at this conference to promote your company's products and services to this highly targeted international audience. Contact the Conference Hotline for further information.

### Exhibition space

Make it easy for the delegates to find you at this busy event with your own exhibition space. Bring your own display stand, banners or use the space to showcase samples of your products and ensure that you make an impact. The exhibition will run throughout the conference in the exhibition room next to the main meeting room.

**Space is limited, to avoid disappointment register today.**
